We serve our nearly 1,500 utility members & 220 corporate members through:

Offering education and professional development opportunities

Sharing information and building connections across the industry

Advocating for policies and regulations that support public power

# APPA Business Plan, 2022 – 2026

# APPA's Strategic Priorities

- 1) Advocating for Public Power.** Promote policies before the federal government; educate decisionmakers and stakeholders; increase awareness of the public power business model.
- 2) Moving Public Power Forward.** Assist members in addressing technological and regulatory changes; support innovative activities; assist members in meeting workforce challenges.
- 3) Strengthening Grid Security.** Taking an all-hazards approach to create a more resilient and secure grid.
- 4) Promoting Association Excellence Initiative.** Work to increase member engagement and internal efficiencies; grow non-member dues revenue to deliver cost-effective services to members.
