

Andrew M. Boatright
General Manager, Zeeland Board of Public Works
Zeeland, Michigan

Andrew has been a passionate supporter of Public Power throughout his approximately 39 years of service in various leadership roles at small, medium, and large public power utilities. He is the General Manager for the Zeeland Board of Public Works. Previously, he served as the Deputy Director for the City of Independence (Missouri) Power & Light (2016-2018) and the Electric Utility Manager for the City of Westerville (Ohio) Electric Division (1996-2016). He has also held positions at Public Power utilities Richmond (Indiana) Power & Light and the City of Rensselaer (Indiana).

Andrew has also served in leadership roles on various American Public Power Association boards and committees. He is a graduate of Purdue University with a Bachelor of Science in Electrical Engineering Technology and holds a Master's degree in Business Administration from Otterbein University. He is a licensed Professional Engineer.

He and his wife Eileen of 38 years have three adult children – two residing in New York and one in North Carolina. They have one child living at home - Oliver, age 6, an untrained brown Labrador Retriever.
