

## Ben McCrumb Biographical Information

My name is Ben McCrumb and I am currently serving as the Vice President of Safety for the Michigan State Utility Workers Council. We are the Labor Organization that represents all of Consumers Energy. I have been married to my wife Nikki since 2010 and we have 3 wonderful children. I am a Line Worker In-Charge out of the Lansing Headquarters. I have been with Consumers Energy since 2006. I have been in my current role since 2020 and was a Union Safety Representative for all of Electric Ops for 4 years prior to taking this role. In addition to working at Consumers Energy I have been a volunteer fireman/first responder for almost 20 years in my hometown of Pewamo.
