

**Angela Wojtowicz**

Vice President, Business Planning & Development
DTE Electric

Angela Wojtowicz is vice president of Business Planning and Development for DTE Electric. Wojtowicz is responsible for the business planning and generation strategy for DTE Electric, which serves southeast Michigan and is one of the country's largest electric utilities. In addition, she has responsibility for several operating groups which include generation optimization and energy efficiency.

Wojtowicz has been with DTE Energy since 1995. Prior to her current role, Wojtowicz was executive director of Electric Optimization where she was responsible for wholesale energy supply and operations, including negotiation of fuel and wholesale power contracts and generation dispatch strategies to minimize customer power supply costs. Wojtowicz is a strong advocate for continuous improvement and has implemented multiple process improvements in the Electric Optimization and Generation Optimization organizations. She has also served in leadership positions in a number of areas including Generation Optimization, Wholesale Power Marketing and Engineering.

Wojtowicz earned a Bachelor of Science degree and Master of Science degree from the University of Michigan, both in nuclear engineering.

DTE Energy (NYSE:[DTE](#)) is a Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide. Its operating units include an electric company serving 2.3 million customers in Southeast Michigan and a natural gas company serving 1.3 million customers across Michigan. The DTE portfolio also includes energy businesses focused on custom energy solutions, renewable energy generation, and energy marketing and trading. DTE has continued to accelerate its carbon reduction goals to meet aggressive targets and is committed to serving with its energy through volunteerism, education and employment initiatives, philanthropy, emission reductions and economic progress. Information about DTE is available at [dteenergy.com](#), [empoweringmichigan.com](#), [twitter.com/dte_energy](#) and [facebook.com/dteenergy](#).
