

Srikanth (Sri) Maddipati
Vice President of Electric Supply
Consumers Energy

Srikanth (Sri) Maddipati is Vice President of Electric Supply with Consumers Energy. He was named to this position in 2024. Maddipati is responsible for electric supply operations, generation engineering and electric supply strategy.

Maddipati previously was Treasurer, Vice President, Finance and Investor Relations for CMS Energy and Consumers Energy. He was responsible for budget and planning, corporate liquidity, financing and maintaining relationships with investors, banks and rating agencies. Maddipati served in a leadership role in setting CMS Energy's financial, regulatory, and operating strategy. He also chaired the Benefit Administration Committee, which is responsible for managing employee benefit plan investments.

Maddipati joined CMS Energy in 2014 as Assistant Treasurer. In this position, Maddipati was credited with improving the company's financial ratings and rating agency relationships and reducing operating costs.

He previously served as a Vice President in the Financial Institutions Group, Investment Banking at Goldman Sachs in New York, NY.

Maddipati earned a bachelor's degree in engineering, and a master's degree in engineering and business administration, from the University of Michigan.
