

Eric Stocking
Director of Regulatory Affairs and Power Supply
Upper Peninsula Power Company

Eric Stocking is the Director of Regulatory Affairs and Power Supply at Upper Peninsula Power Company (“UPPCO”), an electric utility serving 10 counties across the Upper Peninsula of Michigan.

With over 16 years of utility industry experience, Eric leads all efforts relating to regulatory affairs and energy optimization, while concurrently directing the utility’s power supply portfolio, including wholesale energy and capacity procurement and generation resource planning, managing the utility’s transition toward renewable and clean energy by balancing traditional generation assets with new renewable and battery storage investments. Prior to joining UPPCO, Eric served on the Staff of the Michigan Public Service Commission.

Eric holds a Bachelor of Science in Economics from Michigan State University, and lives in Marquette Michigan.
